

May 14, 2020

Hello,

I hope that you are well and managing to balance work and life from home.

Please find the enclosed check for \$1,600 dated 05/14/2020. This payment represents a direct pass-through grant from the Federal Department of Education. Funding for this grant was made possible through the CARES Act, specifically the section designated as the Higher Education Emergency Relief Fund (HEERF). NBSS is responsible for administering this portion of HEERF, intended to be direct aid to high-need students affected by the pandemic. Based on your FAFSA results, you have been included in the group of students receiving this grant.

The Federal Department of Education encourages students to use this funding to support their continued enrollment. The funding can be used for any costs related to your enrollment, including indirect costs such as housing, transportation, and remote learning technology. This grant is available to use as you see fit with the overall goal of supporting your continued education.

If you would like more information, please contact Levi Barrett - Director of Finance ([lbarrett@nbss.edu](mailto:lbarrett@nbss.edu)) or Jamie Dergay - Director of Financial Aid ([jdergay@nbss.edu](mailto:jdergay@nbss.edu)).

Thank you,

Levi Barrett
