

## Supply List

### Introduction to Leather Bookbinding

For this advanced course, participants should bring common bookbinding tools. There is an additional \$20 - \$40 fee for materials due to the instructor on the first day of class. In addition, the following are **required**:

- One sheet of decorated paper
- Sanding block
- Small containers for paste and glue
- Paring knife (sharpened)

#### Notes:

- If you have a different type of paring knife than [this](#), please contact me to discuss it at [james@reid-cunningham.com](mailto:james@reid-cunningham.com).
- If you do not already have a knife, please [order your knife](#) at least one month before the class starts. Peachy Tools is often busy and knives may have to be back-ordered.
- Note that there are right-handed and left-handed paring knives.
- A strop for honing the paring knife
- Any students who possess a Scharf-fix paring machine should bring it, although one is not required.
