JANUARY-FEBRUARY 2023

- Complete your Free Application for Federal Student Aid (FAFSA) for the 2023–2024 school year. **Please note that the US Department of Education (DOE) uses “prior, prior base year” (PPY) data collection. This means that applicants should complete the FAFSA using 2021 income information.** The FAFSA may be submitted online at studentaid.gov/h/apply-for-aid/fafsa. The NBSS school code is: **015527**. In order to complete the FAFSA, you (and your parents if you are under the age of 24) will need to create an FSA ID, or use an existing FSA ID, to complete the FAFSA.
- NBSS Scholarship consideration is automatic once you have completed the FAFSA. This includes NBSS Institutional Scholarships, NBSS Pell Yes!, NBSS Workforce, and NBSS Yellow Ribbon.
- Search and apply for private scholarships. See a list of resources on our website at nbss.edu/scholarships.

MARCH-APRIL 2023

- The NBSS Financial Aid Office will inform you of your projected financial aid eligibility for the 2023-2024 school year, and/or request any additional documents required to confirm your financial aid eligibility.
- Return any requested documents (such as copies of student and/or parent tax return transcripts) as soon as possible.
- For September enrollment, the Financial Aid Office encourages all students to submit their FAFSA by March 1. Early application allows for plenty of time to implement a solid financial plan for the upcoming school year.

MAY-JUNE 2023

- If you have not done so already, please accept your financial aid by following the instructions included with your NBSS financial aid award offer.
- If you will be accepting a student and/or Parent PLUS loan, please complete loan entrance counseling and master promissory note (MPN) requirements as soon as possible. Instructions for completing these steps will be included in your NBSS financial aid award offer.
