

Teen Craft & Trade Intensives

Join North Bennet Street School's Teen Craft & Trade Intensives this summer! Designed for rising high school sophomores, juniors, and seniors, these week-long programs offer an exciting introduction to hands-on trades and crafts in a supportive, small-class setting.

Led by expert NBSS faculty and alumni, students will develop real-world skills, expand their network, and create something with their hands—all while exploring career pathways in the skilled trades.
