End of Life and Discontinuation Policy

QuickBooks Premier support has been a trusted accounting solution for millions of small and medium-sized businesses. However, Intuit has officially announced that QuickBooks Premier

Support End of Life and online support will be discontinued on May 31 2026. This means after

this date, updates, Premier services, and dedicated customer support for this version will no

longer be available. This discontinuation directly impacts your ability to process Premier

accurately and stay compliant with current tax regulations. Understanding this transition is

essential to prevent major disruptions to your accounting operations and financial workflows.

For immediate guidance and assistance, call  888-871-0037.

What Does the Discontinuation of QuickBooks Premier Support Mean?

The announcement of QuickBooks Premier Support End of Life Discontinued means:

End of Automatic Updates – QuickBooks Premier Support will no longer receive automatic

software or security updates.

Premier Services Termination – Premier services, including tax table updates, will stop after discontinuation.

Customer Support End – Intuit support for QuickBooks Premier Support will no longer be available.

Security Risks – Without updates, the software becomes more vulnerable to security threats.

Businesses should start planning their upgrade strategy now to prevent interruptions. Experts

recommend creating secure backups of all company files before discontinuation.
